

A jet boat club for the L-C Valley promoting *Responsible Shared Use*

You are cordially invited to join our association of boating enthusiasts. Our club was formed in 1978 to provide a means for both pleasure and commercial boat operators to express their views on the use and management of navigable waters and lakes in the Pacific Northwest. We involve ourselves in the political process and community service, as well as river runs, picnics and campouts.

Our objectives are as follows:

- Maintain and enhance the quality of the waters upon which we operate
- Preserve our freedom to use the waters in the Pacific Northwest
- Foster good communication with other users including floaters and non-power operators
- Emphasize the use of safe and courteous water practices for all users

Our club is a resource to accelerate your learning about your equipment and our rivers among other people with similar interests. Information on our club will be posted on NWRR website and Facebook. If you prefer another form of notification please indicate that on the form.

If you would like to join or renew please fill out the form below and return it to us with a check made out to Northwest River Runners (NWRR) for \$50. Dues expire December 31.
